CORE 2021 SEASON WRAP-UP

CBC was excited to open up CORE kids basketball and cheerleading to our church and community this season. In light of everything that has taken place in 2020, CORE was an awesome opportunity for kids to participate in organized sports. It was also a welcomed change of pace for family members to get out and watch their kids play basketball or cheer. Edisto Parks & Recreation was able to participate in CORE once again. It was a delight to see all the kids and family members come through the doors of CBC this season with a smile on their faces ready to play or ready to watch.

Pastor Lee agrees that having CORE was a great start to 2021 (the year of opportunity), and he looks forward to seeing what else the Lord has in store for the Rec Ministry here at Charleston Baptist church.

MEET AARON MITCHELL, CB STUDENTS DIRECTOR

Aaron Mitchell, our brand new Student Ministry Director, is originally from Nashville, TN. He is a Vols fan, but we won't let that deter us from liking him. Both he and his wife, Alisha, have been serving in the CB Students ministry for several months. His favor-

ite thing about serving and working with students is the energy students bring. He believes that students are some of the most creative, energetic people with loads of potential. He loves empowering students to pursue those avenues, ideas, and modes of creativity when they are fueled by the Spirit and the Word of God. His favorite Bible verses are:

Exodus 34:6-7 and Hebrews 1:3. Aaron writes, "The first passage reflects God's own character and how He is concerned with His glory. The second reflects the perfect manifestation of that glory within the person of Jesus Christ. This ought to be cause for awe-struck worship before the Lord God." Aaron's goal for the Student ministry is leading students to honor God as holy, to savor God's Word, and to engage in disciple-making relationships with people of all walks of life. Aaron's hobbies and interests include coaching CrossFit and Olympic Weightlifting. He and Alisha also love to hike, camp, backpack, and cook. His favorite all time food, hands down, is popcorn. Little known fact about Aaron - he competed in the National Championships for Olympic Weightlifting.

FOOD DRIVE UPDATE

The Bread of Life Food Drive ended Sunday, February 21st. BOL is open to anyone who may need food including folks in our congregation and in our community. Did you know that we have quite a few Senior Adults who come regularly - some of whom are rearing grandchildren in their home? Thanks to your generous donations, our Pantry is well stocked and ready to serve our community for weeks to come. It's never too late to donate. BOL can use your donations anytime. You can always drop them off at the church office. Thanks also to the folks who regularly support this outreach during the year through financial contributions and volunteering.

PASTORS PERSPECTIVE

"What are you feeling overwhelmed by in your life today? Are you overwhelmed by what's going on in our world? Are you concerned about your job or possible job loss? Do you have financial concerns? Are you overwhelmed with raising your kids? Have you become a parent to your parent(s)? Are you struggling with getting older and not being able to do things as in the past? Are you consumed with how busy we have made our lives? The real question is, "Are you overwhelmed by God's presence in your life?"

Pastor Jason reminded us last month that God loved us first and sent His Son to be the propitiation for our sins. Does this overwhelm you on a daily basis? Are you overwhelmed by God's love, God's grace and God's mercy?

The scripture says in 2 Chronicles 7:3: *"When all the people of Israel saw the fire come down and the glory of the Lord on the temple, they bowed down with their faces to the ground on the pavement and worshiped and gave thanks to the Lord, saying, 'For he is good, for his steadfast love endures forever.'"*

Do we let the glory of the Lord fill us every day and how do we respond?

BABY BOTTLE DRIVE UPDATE

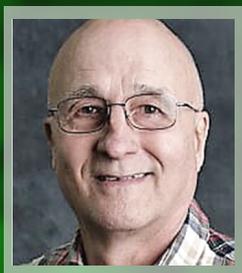

We collected a total of \$5,193.49 during the Baby Bottle Drive in January. Thanks again for your support, prayers, and generous donations to the Lowcountry Pregnancy Center. Every donation goes toward saving lives, counseling, and providing resources & supplies to parents affected by unplanned pregnancies. MESSAGE FROM JOHNNY JACKSON, DEACON CHAIRMAN

"Iron sharpens iron and one man sharpens another."

- Proverbs 27:17

Accountability is currently being emphasized within the deacon ministry here at CBC and has caused me to consider how that impacts me. These are some thoughts that the Lord has laid on my heart, and I hope they are an encouragement to you, as well.

In January, Pastor Kevin mentioned accountability in a sermon. Accountability is holding yourself responsible for your conduct in relation to your belief, job responsibility, or commitment to your family. Accountability can also be an agreement between two people in evaluating their conduct in relation to a belief or responsibility that is shared.

Parents hold their children accountable for their conduct at home or in public and for their preparation for class or athletics. Couples may hold one another accountable for agreed on household chores, personal goals, or desires for improvement in specific areas.

As Christians we can ask a one another to help us be accountable for a specific conduct or task we want to change. As we share with one another, we improve our chances of achieving our goals, and our self awareness is heightened. The results positively impact our Christian witness and our Christian community.
