MULTI-GEN CHOIR LEADS WORSHIP

Pastor Shaun hosted an open house for the newly formed multi-generational choir on Wednesday evening, September 1st. Enthusiastic participants learned about the focus, purpose, and mission of choir-led worship. Two weeks later on Sunday, September 19th, the choir led out in worship in both morning worship services.

If you are interested in participating, it's not too late. Anyone that wants to be a part is welcomed to join. There are flex rehearsal times for those that may be serving or in a group on Wednesday evenings during the regular 6:15 pm rehearsal time. To learn more, please don't hesitate to reach out to Pastor Shaun or the church office.

This is an exciting time in the life of our church as we seek to unify and equip believers to lead in praise and worship.

OCC PACKING PARTY

The Charleston Baptist Church Operation Christmas Child Ministry led by Teresa King has been preparing all year for the church-wide Packing Party and now it's here. If you have not yet signed up to participate, it's not too late. Visit the next steps page on the church website to reserve a time slot for yourself, your family, or your LifeGroup. This is a tremendous opportunity we have to reach the world with the gospel. These particular boxes will go to countries that are "closed" to the gospel. These boxes provide a unique opportunity to get the gospel to recipients and their families in these countries.

Don't forget to register for a participation time slot.

PASTORS PERSPECTIVE: LEE CHINNIS

Greetings, I hope all is well. Over the past few weeks, I have attended two weddings and driving back from the last one, I started thinking about the Christian life and marriage. It is amazing how both parallel one another and yet one is greater than the other.

For example, when a couple is engaged, they want to share the good news with everyone. Also think about the wedding day and the honeymoon and all of the joy and excitement surrounding those events.

Let's compare that with the Christian life. When we first become a Christian, we are equally excited about sharing our decision to follow Christ with others. Then comes the honeymoon phase that involves getting to know fellow believers, diving into scripture, and the deep desire to learn as much as possible about Jesus and what it means to be a disciple of Christ.

Just like a newlywed couple desires to have that deep connection and relationship with one another; so does Jesus want to have the close personal relationship with His children. He loves and cares deeply for us.

As the years go by and our commitment and love as husband and wife deepen, so should our spiritual walk deepen and mature. Then, as we look back on our lives as a couple and as believers, we realize we have made not one but two great decisions in this life. But it's the decision we made to follow Christ that is truly the greatest decision we could ever make.
