## CORE 2022 SEASON WRAP-UP

The 2022 CORE season had a little bit of a shaky start as icy weather threatened the first game day; however, the season was able to get started the next weekend. Games from the first scheduled game day were made up during the last week leading up to the final game day on March 5th. Once again, Edisto Parks & Rec Department was able to take part. Pastor Jason stated that he was excited to see his kids' basketball skills improve and their confidence grow, but the most important thing was the ability to connect with people at practices and games and sharing Christ's love and Biblical truths with game participants. Special thanks to everyone who made the 2022 CORE kids basketball and cheerleading season possible. It's your love for Jesus, people, and ministry that make this league possible.

# MEET MARVIN QUIAMBAO, CB STUDENTS DIRECTOR

Marvin and Angel Quiambao are not new to CBC. They have been an active part of our church family for almost 20 years, and Marvin has been volunteering in our student ministry for almost that long and faithfully serving on the Worship team. He recently retired from the U. S. Navy

and was named as the new Student Director here at CBC. Marvin enjoys playing and listening to music. He plays the guitar, piano, and enjoys singing. Marvin likes a lot of different types of music including R&B, Hip Hop and Rap. Christian Hip Hop has risen to the top of his favorites list. Marvin also likes to play and watch sports. He played volleyball and badminton in high school. For fun, he enjoys playing football, basketball, roller hockey, baseball, and tennis with the neighborhood kids. His teams are the Bay Area, CA teams - San Francisco 49ers, Golden State Warriors, and San Francisco Giants. He inherited Michigan football through Angel (his wife) and Clemson football through Sam (his son.)

Marvin also enjoys the fast and furious type cars, cultural foods, and playing games that involve strategy. One of the "coolest" things Marvin has ever experienced was having the opportunity to fly off an Aircraft Carrier...once on a helicopter and another time being launched off the flight deck in a plane. Marvin is happy to explain the circumstances surrounding those "cool" experiences, if you ask him.

Marvin loves serving in the student ministry because they "keep him young." It is also a pivotal stage in life before they are sent into the world to make their own decisions. He desires to use this opportunity to connect with them and further deepen their relationships with Jesus. Marvin's goal for the student ministry is to develop a community among the students that encourage authentic thoughts and conversations along with discipling them to worship, grow, connect, and serve with a Biblical mindset. Marvin stated that these key components will help them engage the culture around them to follow Jesus, as well. Marvin's favorite scripture is Galatians 2:20. "This verse reminds me to live in Christ's strength and not my own."

Marvin says, "Making my transition from the military to ministry has caused me to spend extra time in prayer and reflection. After spending a large portion of my life in the military, it is hard not to have that be a large part of my identity. My responsibilities in the military...was a weighty concept to think about, but I am reminded of my responsibilities over God's people - the souls of the lost around me, to rightly teach God's Word, and to steward the resources responsibly from James 3:1. This [scripture] reminds me that my greater influence translates into greater responsibility."

Please continue to pray for Marvin, Angel, and their family, as they seek to honor the Lord and to rely on His strength in this next phase of life.

# FOREVER YOUNG OUTING

The Forever Young group had an outing at Dungannon Plantation and Heritage Preserve this month. The group had a great time walking trails and exploring the area. They saw lots of interesting flora and fauna. Forever Young regularly meets on the first Wednesday of every month for lunch; and from time to time, they get together for outings. Anyone age 55+ is welcomed to be a part of this group as they fellowship, serve, and enjoy sharing meals together.

## CRITICAL VOLUNTEER NEEDS ON CAMPUS

CBC currently has several areas in need of volunteers. Would you consider using your gifts and abilities to help?

### CB WORSHIP MINISTRY

The CB Worship ministry is in need of the following instrumentalists to serve on a consistent, rotational basis during Sunday morning worship services:

- acoustic guitar
- drums
- electric guitar
- keyboard
- bass guitar

The CB Worship ministry can also use more volunteers to serve on the tech team. No skills or experience needed - just a willingness to learn and serve. You would serve on a consistent, rotational basis. Jobs include: camera, sound, live stream sound, pro-presenter operator, and live stream production. If you have any interest in serving in the CB worship ministry in any capacity, please email Pastor Shaun ([shaun@charlestonbaptist.org](mailto:shaun@charlestonbaptist.org)).

# CB KIDS UPDATE

CB Kids Navigators were able to visit the Bread of Life ministry house this month to learn about the Bread of Life ministry. They were able to pack some groceries and gain first-hand knowledge of how the ministry works, how it helps families who really need it, and how the love of Christ is shared through this ministry. During February, the kids were also able to have a friendly competition to see how many baskets of food they could pack for the BOL ministry. Special thanks to our Kids ministry leaders and BOL volunteers who made this a very special evening for our Navigators.

# CB STUDENTS UPDATE

## Creation Museum and Ark Trip

CB students in senior high were offered the opportunity to visit the Creation Museum and the Ark Encounter, located in Kentucky, this month. They were even able to squeeze in a snow tubing trip. It was a jam packed weekend, but everyone had a great time and learned so much about Creation and the Flood.

## Semi-Formal Bridge Event

CB Students restarted Bridge Event theme nights this month with a Semi-Formal event. Bridge events are a way to encourage students to invite friends to church for special theme nights. Bridge events include games, food, praise & worship, student led testimonies, and a message.

# MEN'S MINISTRY

Our men's ministry met for breakfast this month then headed out to help with a community work project led by Raul Gomez. The project was daunting and large in scope, but these guys put their skills to use. It took a couple of weeks and several volunteers to complete the project. If you are interested in utilizing your handyman skills for ministry in the future, please contact Raul Gomez, Seth Roy, or Pastor Jason.

# PASTORS PERSPECTIVE

Realizing that I have more days behind me than in front of me on this earth, unless Jesus comes back soon, has not been easy at times. This does not take away from looking forward to spending eternity with The Lord, where there will be no more hurting, crying or pain. God's unconditional love for me is something I cannot comprehend or deserve. He loves me when I am self-righteous; and He loves me in my lack of humility. This list could go on, but we will stop here. This does not mean God condones these actions. I cannot earn more of His love by preaching, teaching or serving; however, God does expect us to use the gifts He has given us to glorify Him and to carry out His mission. The songs "God Really Loves Us" and "Love me Like I Am" have reminded me of God's unconditional love, but more importantly, the Bible tells us in Romans 8:35-39 that nothing can separate us from God's love.

## BABY BOTTLE DRIVE UPDATE

We collected a total of \$2,557.40 during the Baby Bottle Drive in January. Thanks again for your support, prayers, and generous donations to the Lowcountry Pregnancy Center. Every donation goes toward saving lives, counseling, and providing resources & supplies to parents affected by unplanned pregnancies. To learn more about LPC, visit: <https://lowcountrypregnancycenter.com>

## FOOD DONATIONS UPDATE

Thanks to the congregants of CBC, CB Kids ministry, and students of KCA, we were able to collect a LOT of groceries in February to benefit the Lowcountry C.A.R.E.S. organization. They were very thankful for your generosity. These groceries enable them to distribute food to people in the community who are in desperate need.

## DEACON SPOTLIGHT

Here are our two "new" deacons rotating back on the team to serve as deacons in 2022.

### LARRY SMITH

Larry Smith has been a part of our church family since 1984. He recently retired from the medical field and is happy to be serving as Deacon once again. Larry is originally from Camden, SC. His hobbies and interest include: racquetball, pickleball, and the stock market. Larry is a Gamecock football and baseball fan. His favorite foods are barbecue, hamburgers, fruit, cheese, and coffee. What you may not know about Larry: he played football, baseball, and was on the wrestling team in high school and college.

### JOHN COOPER

John Cooper has been a part of our church family since 1989. He is originally from Charleston. John enjoys strength training, obstacle runs, and woodworking. His favorite NFL team is Green Bay, and John enjoys hibachi style food. His favorite place of service here at CBC is in the CB Students ministry. Fun fact about John: He and his wife, Chrissy, were collegiate cheerleaders.
