FAMILY DEDICATION SERVICE SPRING 2022

It is a privilege and an honor to dedicate our loved ones to the Lord. The Spring Family Dedication service was held Sunday, May 15th. Family Dedication is a special time for families to recognize the priority of raising the children in their care to love the Lord, to set the example of godliness in their home, to affirm their need for spiritual support, and to affirm their need of prayers and support from the church.

PASTORS PERSPECTIVE

Rediscovering the Freeing Beauty of God's Compassion

God's compassion towards people is revealed all throughout Scripture. One example, is found in Matthew 9:35-38, when Jesus sees the crowds, feels their pain, and acts to alleviate that pain. Over the past 16+ years, God has graciously made me more and more sensitive to the freeing beauty of God's compassion. Compassion is being sensitive to the pains, sufferings, and needs of others. Compassion is freeing when we have the opportunity to help lessen the burdens of life for others. Compassion is beautiful, when we see God heal,

restore, and repurpose lives that were once broken and hopeless. How do we know when we need to rediscover the freeing beauty of God's compassion? Do we genuinely see the people in our lives? Do we truly feel their pain? Do we desire to act when God calls us to act? If the answer isn't yes, then it's time for us to rediscover the freeing beauty of God's compassion. Never forget, God's compassion towards you...it's sensitive, it's freeing, and it's beautiful!
